## About the producer

Owned by the Duverger family for 9 generations. Current owner Michel Duverger, former long standing president of the Union de Producteurs de Saint Emilion, has continued his family legacy by producing a wonderfully classic Saint Emilion Grand Cru from his 7.68 hectares under vine.

## Wine growing / wine making

Gravel and sandy clay soils. Harvesting by plots and grape variety selections. Gravity flow winemaking with temperature control. Pre-fermentation maceration from 25 days and aged in French oak barrels for 12 months (30% new French oak).

## Tasting notes

Merlot-based, this wine has great structure with mouth-filling spicy fruit and fine length. Lovely plummy fruit is backed by fine tannins and the added nuance of Cabernet Franc.
