Wine growing / wine making

Located on the Terrasses de l'Orbieu, in the very heart of the Languedoc area, close to the sea. Calcareous soil on clay. Warm and dry climate. Trained vines, 15-year old vine stocks, pruned with the Guyot method. This training gives the leaves the ability to keep the freshness of the grapes. Harvest at night, gentle direct pressing. Free-run wine only, cold maceration, also cold fermentation during three days at 16°C.
